I chose to settle in 2015 on this historical terroir of Côtes de Bourg appellation, after a professional retraining. I fell under the spell of Château Baron Bellevue's estate and vineyard, which slopes overlook the Gironde Estuary. From this location, the vineyard benefits from an ideal microclimate for winegrowing.

I run my vineyard with rigor, modernity, passion, tradition and quality. As I arrived, I started to attach my agro-ecology vision to the winegrowing. As a result : since the 2021 vintage, all of my vineyard is certified with the organic farming label. Today, I manage to produce personality wines that reflect my terroir, my environment-awareness and my ambitions of continuous improvement ; living products.
