"Aubier" is a typical tree of the region surrounding the historic estate of our family. Most commonly, "aubier" means sapwood : the living part of a tree, right under the bark. It transports sap and protects the heartwood during winter. Château Les Aubiers is a loyal expression of the local history, of our landscape richness and of my sensitivity towards environmental issues. As a player of the environmental diversity of Blaye territory, wines of Château Les Aubiers translate into 3 different personalities: red, rosé and white.

Château Les Aubiers

BLAYE CÔTES DE BORDEAUX

Village: Pleine-Selve, Saint-Caprais et Marcillac

Total winegrowing area: 33 hectares

Terroir: Sandy gravel - 77-meter-high - 25 years old vines

Winemaking and ageing: Cold racked between 12 to 48 hours and aged on lees to give it unctuousity and roundness.

Blend: 60% Sauvignon Blanc, 20% Colombard, 20% Sémillon

Tasting notes: Bright and a beautiful, fairly pale gold in color. The nose is typical of Sauvignon and marked by citrus notes. The supple, beautifully fresh palate leads to magnificent aromatic maturity in the finish. This wine is fresh yet generous, with the complexity of very ripe Sauvignon.

Food and wine pairing: Smoked salmon
